

# ELEVATE YOUR EXCELLENCE

**2025 DATE**

August 12-14

## HOW YOU DO ANYTHING IS HOW YOU DO EVERYTHING

Great performance, whether at work or at home, starts with the little things: making your bed, organizing your closet, maintaining your yard, shooting a basketball, closing a deal. This workshop offers a foolproof approach to improve the often-neglected everyday disciplines like hydration, sleep quality, and mindset maintenance that can make all the difference in generating high-quality performance. Dave shares how to make simple and immediately actionable tweaks to begin doing ordinary things extraordinarily well to transform your life—in areas including:

- Winning your morning hours to set the pace of success for the day
- Improving mental toughness and staying locked in to what matters most to tackle your most challenging days
- How to balance “balance” with your quest for greatness
- Mastering intentional breathing and sleeping to add years to your life
- Improving your daily routines and rituals
- Learn to have good “crappy” days and perform well through life’s challenges
- and more!

Workshop includes course workbook and breakout sessions for preparing action plans to put in place upon returning to your organization.
