

NEXT-LEVEL LEADERSHIP

A Brand New Leadership Workshop

2025 DATES

April 16-17
July 23-24

Nothing gets better in an organization until the leaders do. But growth must be intentional, it's not automatic. There are specific skills and mindset leaders must intensively work on to grow themselves so they can grow their people, and together with their people, move their organization forward.

The sole purpose of this workshop is to help leaders at any level improve their leadership skills and upgrade their confidence so they are expertly equipped to build a right culture, navigate change, attract develop, and retain the right team, and accelerate the growth of their organization in a consistent, measurable, sustainable manner. This workshop will turn managers into leaders, and elevate good leaders into great ones.

- How to balance effective management skill with leadership ability
- The leader's role in shaping a culture of merit and preventing a culture of entitlement
- How to earn buy-in for change and implement change effectively
- How to accelerate your personal growth with intentional quarterly growth objectives
- Six high-impact scripts for dealing effectively with non-performance and unacceptable behaviors
- How to master the art of skillful conversations with team members that motivate, reinforce, correct, and direct
- How to collaborate with team members to set goals, earn their buy-in to the goals, and help them reach them
- and more!

Workshop includes course workbook and breakout sessions for preparing action plans to put in place upon returning to your organization.
